1 **Recitals**

2 In accordance with the provisions of Section 603 of the Charter of Howard County, the County  
3 Executive has submitted a proposed Capital Budget for fiscal year 2006 to the County Council, and, prior to  
4 the passage of this Act, the County Council has adopted a Capital Budget for the fiscal year ending June 30,  
5 2006.

6 As a part of the Capital Budget for the fiscal year ending June 30, 2006, it is necessary that Howard  
7 County, Maryland borrow a sum not exceeding ~~\$14,000,000~~ 13,500,000, to be used for the school system  
8 capital projects specified in the County's Capital Budget for the fiscal year ending June 30, 2006, which are  
9 more particularly described in Appendix A to this bond enabling law and for payment of costs of issuance of  
10 any obligations issued to evidence such borrowing.

11 **Now therefore, in accordance with the provisions of Article VI of the Charter of Howard**  
12 **County:**

13 **Section 1. Be it enacted by the County Council of Howard County, Maryland,** That Howard  
14 County, Maryland (the "County"), is hereby authorized and empowered to borrow on its full faith and credit,  
15 and issue and sell its bonds therefor, at one time or from time to time, an amount not exceeding ~~\$14,000,000~~  
16 13,500,000, the proceeds thereof to be used for the school system capital projects (each a "Project") more  
17 particularly specified and described in Appendix A hereto and in the County's Capital Budget for the fiscal  
18 year ending June 30, 2006; including for each capital project, without limitation, the cost of planning, design,  
19 construction, reconstruction, furnishing, equipping, improvements, renovations, remodeling, enlargements,  
20 engineering services, architects services, surveys, landscaping, site development, evaluation studies, land  
21 acquisition and related items, appurtenances and incidental activities. The Projects, and the amount to be  
22 borrowed for each, are more specifically identified and described in Appendix A hereto.

23 Proceeds of any bonds authorized by this Act may also be used to pay costs of issuance of such  
24 bonds.

1           **Section 2. And be it further enacted by the County Council of Howard County, Maryland,**

2   That, pursuant to and in accordance with Article 31, Section 12 of the Annotated Code of Maryland, as  
3   amended, the County is also authorized to issue bond anticipation notes in anticipation of the issuance of the  
4   bonds authorized by this Act and described in Section 1 hereof, and all references to "bonds" or  
5   "obligations" shall include such bond anticipation notes, unless the context clearly requires a contrary  
6   meaning. It is intended that the aggregate principal amount of issued and outstanding bond anticipation  
7   notes when added to the aggregate principal amount of issued and outstanding bonds in anticipation of  
8   which such notes were issued, shall not exceed the aggregate principal amount set forth in Section 1 of this  
9   Act at any time. The County will agree in each ordinance described in Section 4 of this Act relating to any  
10   notes issued pursuant to this Act to pay such notes and the interest and premium, if any, thereon from the  
11   proceeds of the bonds in anticipation of the sale of which such notes are issued, and the County will agree to  
12   issue such bonds when, and as soon as, the reason for deferring their issuance no longer exists.

13           **Section 3. And be it further enacted by the County Council of Howard County, Maryland,**

14   That, in connection with the acquisition of real property as part of a Project, the County may incur all or any  
15   portion of the indebtedness authorized by this Act for such acquisition by entering into an installment  
16   purchase agreement pursuant to and in accordance with Section 4.201A of the Howard County Code  
17   ("Section 4.201A") or any successor provisions of law in lieu of issuing bonds for such acquisition. The  
18   principal amount of any such installment purchase agreement shall not exceed the lesser of (a) the maximum  
19   principal amount permitted by Section 4.201A or (b) the portion of the amount to be borrowed for such  
20   Project (as set forth in Section 1 hereof) which relates to such acquisition. All references to "bonds" or  
21   "obligations" in this Act shall include such installment purchase agreements, unless the context clearly  
22   requires a contrary meaning.

23           **Section 4. And be it further enacted by the County Council of Howard County, Maryland,**

24   That the County Council of Howard County, by an ordinance or ordinances adopted from time to time in  
25   accordance with Article VI of the Charter of Howard County and other applicable provisions of law, shall  
26   provide for (a) the issuance and sale of, (b) the designation, form, tenor, denomination or denominations and

1 maturities (not exceeding twenty-five years) of, and (c) the interest rate or rates per annum (or the method of  
2 determining such rate or rates) payable on, any bonds or other obligations issued from time to time under  
3 this Act; and may by any such ordinance, or by separate resolution, provide that the issue of bonds or other  
4 obligations hereby authorized be consolidated with one or more other issues as provided in Article 31,  
5 Section 2C of the Annotated Code of Maryland, as amended, and any successor provision of law.

6 **Section 5. And be it further enacted by the County Council of Howard County, Maryland,**

7 That for the purpose of paying the principal of and interest on such bonds or other obligations as the same  
8 shall become payable, the County Council of Howard County shall levy annually ad valorem taxes upon the  
9 assessable property in Howard County sufficient, together with school facilities surcharges and other  
10 available funds, to pay the principal of and interest on such bonds or other obligations until all of such bonds  
11 or other obligations shall mature and be redeemed.

12 **Section 6. And be it further enacted by the County Council of Howard County, Maryland,**

13 That any bonds or other obligations issued from time to time under this Act are specifically exempt from the  
14 provisions of Article 31, Sections 10 and 11 of the Annotated Code of Maryland, as amended, and any  
15 successor provision of law.

16 **Section 7. And be it further enacted by the County Council of Howard County, Maryland,**

17 That all bonds or other obligations authorized hereby shall be issued within four years from the date this Act  
18 becomes effective. Notwithstanding the foregoing, if bond anticipation notes are issued within such period  
19 in accordance with Section 2 hereof and such notes have a stated maturity date after such expiration date,  
20 the bonds authorized hereby may be issued until the stated maturity date of such notes.

21 **Section 8. And be it further enacted by the County Council of Howard County, Maryland,**

22 That the County anticipates that a portion of the costs of some or all of the Projects may be paid prior to the  
23 issuance of the bonds or other obligations authorized hereby. The amount of such costs so paid will depend  
24 on various factors, including, without limitation, the timing and speed of progress on the Projects, the  
25 availability of other funds to pay such costs on an interim basis, bond and money market conditions and  
26 compliance with federal and State laws and regulations.

1           Accordingly, the County reasonably expects to reimburse costs of the Projects (as described herein)  
2   with proceeds of the bonds or other obligations authorized hereby, such bonds or other obligations to be  
3   issued by the County in the maximum principal amount of ~~\$14,000,000~~ 13,500,000.

4           **Section 9. And be it further enacted by the County Council of Howard County, Maryland,**

5   That this Act shall take effect sixty-one (61) days after its enactment.
